Sir.

I beg to submit herewith for orders Canarese Correspondence (as per Perish) ending with muzrai Officers yadi No 16 dated 18th ultimo. The subject is as follows.

2. One Coppuram Muniswami Chetty

Converted into a Chetram - a

House Situated in the Baswan

Mohalla, Nyoore, for feeding

Brahmins, and assigned for its

maintenance a one fourth Share

of the Revenue of the Sarvamanyam

Village, called Nagandli in the

Kanjangud Taluk. This one fourth

Share Stated to be Rs 480 per

annum together with Rs 240/-

being the rent of the Shops

attached to the Chetram, he set

apart for the maintenance of

the Chatteram

and

and executing a formal document in 1876. requested that the management of the institution might be taken over by government. upon a reference made by the then Deputy Commissioner, the Commissioner of Ashtagram Division replied that Compliance was inconsistent with the Existing practice and the rules in force and that Muniswamy Mudaly should make

vide corrg: letter no 976 dated 7th January 1878

his own arrangement for the
Supervision and management
of the Mehtram. There was further
correspondence between Manniswamier Mehtr, and
the Commissioner in his Canarese
Yadi No 291/287 dated 14th March 1878
ordered that there was no objection
to the management being taken
by the nuzzor Department. Owing
to the heavy arrears of revenue
in the Village, 3 out of 4 Share
holders applied for the nomination
of an agent for their Collection

This was sanctioned in 1883, and the agent in the course of his duty attached some lands of defaulters and sought for permission to sell them. The late Deputy Commr declined to sanction the sale remarking that the land was part of a private grant.

The mirasi officer states that a large balance of Rs 6262-1-7 is now left uncollected in the whole village, and the institution is dedicated purely to charitable

purposes, and recommends in view to carrying out the object of the grant, the treatment of the duan as a government village for purposes of collection of revenue.

I do not know how far the Commissioner, Tshtagram Division had the authority of government, for ordering the institution to be taken under government management. It is certainly inconvenient that an undivided, unallocated share of the duan

Village should be assigned for government management. under the Cover of this, Government officers are Called upon to Collect the revenues of the whole Village by Summary measures, take the share allotted for the Cultivator and return the remainder to the Zumindars. I have grave doubts as to the ~~propriety~~ propriety or legality of Such action. With orders of Government and the Consent of the Zumindars, this would be

feasiable enough if the whole revenue Adminstation of the village is taken over by government officers and land revenue settlement introduced and annual jamabandies made as in the case of government villages.

Sir,

Government Proceedings No: 3790/187 dated 14th ultimo, received by me on the 7th instant, in relating up under Government management 1/4th of the Alaganchi Village belonging to Chickkasamidamy Chetty for the maintenance of the chatram built by him at Mypone.

With reference to the above, I have the honor to state that on the

repeated

repeated applications of Munusamy
Chetty to me to hurry on the taking
possession of his share of village
by Government, as per orders given
in Proceedings No: $\frac{3743-4}{154}$ dated
9th August 1889, the village had
been measured by the Survey-
Department last year. In order to
help the petitioner, considering his
age (80 years) and his repeated
applications, I requested the
Survey Superintendent to send
the suds of the village, with which he kind-
-ly complied. The Amildar has
been directed to make a list of the
lands belonging to the petitioner's
share with the help of the above
suds and the petitioner's agent, in
view to recommending to Govern
ment

Government to take over the po-
-rtion when this list is completed.
This list is almost complete.

I beg to be kindly informed, be-

petitioner and instructions to
the Amildar, as per orders contain-

to whether or not the management
of the 1/4th share of the village could
be taken on the above and detail
survey introduced after taking
possession during the settlement
of the Nanjangode Taluk.

ABSTRACT.

In accordance with Petitioner's request, steps were being taken to have his 1/4th share in the Sarvamanyam village of Alagandi in the Nanjangode Taluk surveyed in detail, in order that the same may be placed under the management of Govt. for the maintenance of feeding in his Chattram at Mysore. The Dy Comr has now informed the Petr that, in accordance with G. O. No. 5779/323 dd. 22d August/90, the Amildar has been directed to stop the Phoot Pahani work which was going on in the

village with a view to
its early settlement
As it will take 3 years
the whole Taluk to be
brought under the settlement,
Peter begs that his village may
be be settled at once,
and that his 1/4th share
may be taken over
under Govt. management.
